

Michigan Propane Journal is the official magazine of The Michigan Propane Gas Association (MPGA). MPGA is a trade and membership source organization that represents propane marketers throughout the state. Our mission is to promote the proper handling and use of propane, to work for a favorable environment for propane distribution and marketing, and to increase its application by demonstrating propane's value as a clean energy source. MPGA is an affiliate of The National Propane Gas Association.

Michigan Propane Journal is printed and mailed semi-annually to all intrastate and multi-state marketers throughout Michigan as well as associate, individual, and honorary members. The publication reaches the desks of over 600 propane professionals throughout the state of Michigan, with a total circulation of over 1,700. A publication archive is also posted on the MPGA website at www.mipga.org. All editorial and advertising is subject to publisher approval and space availability. MPGA reserves the right to refuse any ad that they consider inappropriate and does not hold to the standards and principals of the Association.
